Annex 4 referred to in Chapter 7
Reservation for Existing and Future Measures

1. The Schedule of a Country sets out the reservations taken by that Country pursuant to paragraphs 1 and 2 of Article 80. The reservations with an asterisk ("*") are related to existing measures that do not conform with obligations imposed by Article 75, Article 76, or paragraph 1 of Article 79. The reservations without an asterisk ("**") are related to specific sectors, sub-sectors or activities for which the Country may maintain existing, or adopt new or more restrictive, measures that do not conform with obligations imposed by Article 75, Article 76, or paragraph 1 of Article 79; however, any amendment or modification of an existing measure or adoption of a new measure for sectors, sub-sectors or activities without an asterisk ("**"), shall not be more restrictive to existing investors and existing investments as defined in paragraph 4 of Article 80 than the measures applied to such investors and investments immediately before such amendment or modification or adoption, unless such sectors, sub-sectors or activities are indicated with the symbol "***".

2. Each reservation sets out the following elements, where applicable:

   (a) “Sector” refers to the general sector in which a reservation is taken;

   (b) “Sub-Sector” refers to the specific sector in which a reservation is taken;

   (c) “Industry Classification” refers, where applicable, to the activity covered by the reservation according to domestic or international industry classification codes;

   (d) “Type of Reservation” specifies the obligation referred to in paragraph 1 for which a reservation is taken;

   (e) “Level of Government” indicates the level of government maintaining the measure for which a reservation is taken;

   (f) “Existing Measures” identifies the existing laws, regulations or other measures, for which the reservation is taken;
(g) “Measures Identified for Transparency Purposes” identifies, to the extent possible, only for transparency and illustrative purposes, existing measures that apply to the sector, sub-sector or activities covered by the reservation;

(h) “Description of Existing Measures” sets out, with regard to the obligation referred to in paragraph 1, the non-conforming aspects of the existing measures for which the reservation is taken; and

(i) “Description of Reservation” sets out the scope of the sector, sub-sector or activities covered by the reservation.

3. In the interpretation of a reservation, all elements of the reservation shall be considered. A reservation shall be interpreted in the light of the relevant provisions of Chapter 7 against which the reservation is taken, and:

(a) with respect to a reservation with an asterisk (“*”), the “Existing Measures” element shall prevail over all other elements; and

(b) with respect to a reservation without an asterisk (“*”), the “Description of Reservation” element shall prevail over all other elements.

4. For the purposes of this Annex:

(a) the term “JSIC” means Japan Standard Industrial Classification as set out in the Statistics Bureau, Ministry of Internal Affairs and Communications, revised on March 7, 2002; and

(b) the term “ISIC” means the International Standard Industrial Classification of All Economic Activities adopted, at its seventh session on 27 August 1948 and revised on 22 May 1989, by the Economic and Social Council of the United Nations. The industry classification number is for illustrative purposes.

**Description of Existing Measures:**

1. The prior notification requirement under the Foreign Exchange and Foreign Trade Law applies to foreign investors who intend to make investment in air transport business in Japan.

2. A permission of the Minister of Land, Infrastructure and Transport for conducting air transport businesses as a Japanese air carrier is not granted to following natural persons or entities applying for the permission:

   (a) a natural person who does not have Japanese nationality;

   (b) a foreign State, or a foreign public entity or its equivalent;

   (c) a legal person or other entity constituted under the laws of any foreign State; and
(d) a legal person represented by natural persons or entities referred to in subparagraph (a), (b) or (c); a legal person of which more than one-third of the members of the board of directors are composed of natural persons or entities referred to in subparagraph (a), (b) or (c); or a legal person of which more than one-third of voting rights are held by natural persons or entities referred to in subparagraph (a), (b) or (c).

In the event an air carrier becomes a natural person or an entity referred to in subparagraphs (a) through (d), the permission will lose its effect. The conditions for the permission also apply to companies, such as holding companies, which have substantial control over the air carriers.

3. Japanese air carriers and the companies having substantial control over the air carriers, such as holding companies, may reject the request from a natural person or entity set forth in subparagraphs 2(a) through (c), who owns equity investment in such air carriers or companies, to enter their names and addresses in the register of shareholders, in the event such air carriers and companies become natural persons or entities referred to in subparagraph 2(d) by accepting such request.

4. Foreign air carriers are required to obtain permissions of the Minister of Land, Infrastructure and Transportation to conduct international air transport businesses.
5. Permission of the Minister of Land, Infrastructure and Transport is required for the use of foreign aircraft for air transportation of passengers or cargoes to and from Japan for remuneration.

6. A foreign aircraft may not be used for a flight and for transporting passengers or cargoes for remuneration, between points within Japan.
