  - (i) must fall within a description of products eligible for concessions in the country of destination;
  - (ii) must comply with the consignment conditions that the goods must be consigned directly from one Party to the other Party but transport that involves passing through one or more intermediate non-parties, is also accepted provided that any intermediate transit, transshipment or temporary storage arises only for geographic reasons or transportation requirements; and
  - (iii) must comply with the origin criteria given in the paragraph 3.
3. ORIGIN CRITERIA: For exports to the above mentioned countries to be eligible for preferential treatment, the requirement is that either:
  - (i) the product is wholly obtained in the exporting Party as defined in Article 21(a) of the Malaysia-Pakistan Closer Economic Partnership Agreement;
  - (ii) subject to subparagraph (i), for the purpose of implementing the provisions of Article 21(b) of the Malaysia-Pakistan Closer Economic Partnership Agreement, products worked on and processed as a result of which the total value of the materials, parts or produce originating from non-parties or of undetermined origin used does not exceed 60% of the FOB value of the product produced or obtained and the final process of the manufacture is performed within territory of the exporting Party;
  - (iii) products which comply with origin requirements provided for in Article 21 of the Malaysia-Pakistan Closer Economic Partnership Agreement and which are used in a Party as inputs for a finished product eligible for preferential treatment in the other Party shall be considered as a product originating in the Party where working or processing of the finished product has taken place provided that the aggregate Malaysia-Pakistan Closer Economic Partnership Agreement content of the final product is not less than 40% in terms of Article 24 of the Malaysia-Pakistan Closer Economic Partnership Agreement; or
  - (iv) products which satisfy the Product Specific Rules provided for in Article 25 of the Malaysia-Pakistan Closer Economic Partnership Agreement shall be considered as goods to which sufficient transformation has been carried out in a Party.
